

13th ILAIS Conference - June 24, 2019
Tel Aviv University, Coller School of Management
Call for Papers

Conference Chairs:	Dov Te'eni (Tel Aviv University) Dizza Beimel (Ruppin Academic Center) David Schwartz (Bar Ilan University)
Program Chairs:	Gal Oestreicher-Singer (Tel Aviv University) Ofir Ben-Assuli (Ono Academic College) Dalit Levy (Zefat Academic College)
Conference Admin:	Rachel Tahar (Tel Aviv University)
Program Coordinator:	Iris Somech (Tel Aviv University)

The 13th annual ILAIS (Israel Association for Information Systems) conference will be held on **Monday June 24, 2019** at Tel Aviv University, Coller School of Management. The Program Chairs invite faculty members, research students, and industry researchers in the IS field to submit a **2-page** abstract to one of the following tracks.

1. Completed Research Paper (Conference Presentation)

Abstract for a completed research paper should include: title, author(s), introduction, objectives, method, results, and conclusions¹.

2. Research-in-Progress Paper (Conference Presentation)

Abstract for a research-in-progress paper should include: title, author(s), introduction, objectives, method, initial results (if available), and initial conclusions (if available). The structure of theoretical/conceptual/practical papers can be adjusted as needed.

3. Early Stage Thesis or Student Project (Poster)

ILAIS 2019 provides an opportunity for students to exhibit early stage theses or projects as a poster. Extended abstract for a poster include: title, student(s) and advisor(s) names, introduction, objectives, method, initial results (if available), and initial conclusions (if available)². Details regarding poster preparation will be provided later on.

¹ The structure of theoretical/conceptual/practical papers can be adjusted as needed

² The structure of theoretical/conceptual/practical papers can be adjusted as needed

Please note: Authors of all papers retain all copyrights and will be asked to agree to publish their abstracts online as conference proceedings. This arrangement allows publishing the complete version elsewhere (including journals, conferences and books).

Although **all topics** within the IS research domain are welcome, this year we are especially interested in **Data Science, Economics of IS, Social Media, Human-Computer Interaction, Internet of Things, Socio-Technical design, Cyber Security, IS Education, Data Analytics, Blockchain, Smart Cities, Health IT, Visual Analytics and Design Science Research**. Additionally, in order to broaden the ILAIS audience, researchers in domains intersecting **Software Engineering** and **Information Systems** are more than welcome to participate.

Submission Guidelines

Please send the **2-page** abstracts in English, using the ILAIS template ([here](#)), in one of the following formats: MS Word, RTF or Open Office) by **March 20, 2019** to ILAIS.TAU.2019@gmail.com .

Important Dates

Submission deadline **extended**: ~~March 20, 2019~~ **March 31, 2019**

Notification to authors: April 15, 2019

Final version due: May 30, 2019

Conference date: June 24, 2019

The Israel Association for Information Systems (ILAIS) was founded in 2005 as the Israeli chapter of the Association for Information Systems (AIS). The goal of ILAIS is to promote the exchange of ideas, experiences and knowledge among IS scholars and professionals engaged in IS development, management and use.
