

ILAIS 2024

The 18th ILAIS Conference

In memory of: Prof. Seev Neumann

September 9, 2024

The College of Management Academic Studies

Call for Papers

Israel Association for Information Systems (ILAIS) was founded in 2005 as the Israeli chapter of the Association for Information Systems (AIS). The goal of ILAIS is to promote the exchange of ideas, experiences, and knowledge among IS scholars and professionals engaged in IS development, management, and use.

The 18th annual ILAIS conference will be held on Sep 9, 2024, at the College of Management Academic Studies, Israel. We are aware that things may change according to the national situation. At this stage, we are preparing for a conference on campus, but if reality dictates otherwise, we will change accordingly to a hybrid or online format.

The Conference and Program Co-Chairs invite faculty members, research students, and industry researchers in the IS field to submit:

1. Extended abstract of completed research or research-in-progress (1200 words maximum). The extended abstract should include an introduction, theory, method, results (if available), implications, and conclusions (if available), preferably with the following [Template](#).
2. Full papers of **recently published (2022-2024) or forthcoming relevant research**. Please send the full paper for consideration.

Please submit by ~~May 10~~ **May 24**, 2024, via EasyChair:

<https://easychair.org/my/conference?conf=ilais2024>

For conference updates and further information, visit the ILAIS Website:

<https://ilais.org.il/>

Important Dates:

Submission deadline: ~~May 10~~ **May 24, 2024**

Notification to authors: **June 10, 2024**

Final version due: **July 15, 2024**

Conference date: **Sep 9, 2024**
